

Spot the Angle!

You are given four angles. It is now possible to label all of the inside angles.

Can you find them all?

Challenges

- Can you find 3 quadrilaterals that all have the same angles?
- Can you shade 4 pairs of alternate angles?
- Can you shade 4 pairs of supplementary angles?
- Can you make your own design like the one above? How difficult can you make it?

Spot the Angle Answers!
